PANEL LAYOUT · MODEL TR3

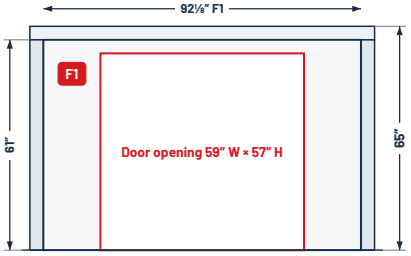

# TRIPLE-WIDE ROLL-IN PANEL LAYOUT

The AMC TR3 ships as a 10-panel kit assembled on site. Every panel has a unique ID so the crew can match it to this layout: two roof panels, three back panels, two panels per side and the front door panel.

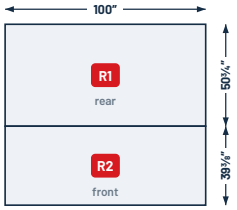

**A PLAN VIEW · WALL PANELS**

**B FRONT ELEVATION · F1 DOOR PANEL**

**C ROOF PANELS**

**PANEL COUNT BY SIZE**

| | | |
|---|---|---|
| 4 × | 61" × 39⅜" walls | B1, B3, L2, R-S2 |
| 2 × | 61" × 46⅞" walls | L1, R-S1 |
| 1 × | 61" × 21¼" wall | B2 |
| 1 × | 61" × 92⅛" door panel, 59" × 57" opening | F1 |
| 2 × | roof panels, 100" × 50¾" and 100" × 39⅜" | R1, R2 |

Panel layout drawn to proportion from the factory panel list. All dimensions in inches.

## PANEL SCHEDULE, 10 PANELS

| ID | PANEL | SIZE |
|---|---|---|
| **R1** | Roof, rear | 100" × 50¾" |
| **R2** | Roof, front | 100" × 39⅜" |
| **B1** | Back wall, left | 61" H × 39⅜" W |
| **B2** | Back wall, center | 61" H × 21¼" W |
| **B3** | Back wall, right | 61" H × 39⅜" W |
| **L1** | Left side, rear | 61" H × 46⅞" W |
| **L2** | Left side, front | 61" H × 39⅜" W |
| **R-S1** | Right side, rear | 61" H × 46⅞" W |
| **R-S2** | Right side, front | 61" H × 39⅜" W |
| **F1** | Front door panel | 61" H × 92⅛" W, 59" × 57" opening |

## CABINET DIMENSIONS

| | |
|---|---|
| **Outside** | 100" W × 90" D × 65" H |
| **Net interior** | 92⅛" W × 82¼" D × 61" H |
| **Door opening** | 59" W × 57" H, F1 panel |
| **Panel thickness** | 4" insulated |
| **Panel skins** | Coated steel, both sides, 0.476 mm (0.019") |
| **With cooling unit** | 85" overall height |

Check panel IDs against the labels when the kit arrives and stage each panel near its wall before assembly. Keep 16" clear above and around the top-mounted cooling unit.
